

Course Schedule Search

When you're trying to find courses that are best suited to you, it helps to know what we mean by "Delivery"—especially when you're thinking about online or accelerated courses. It's also important to after you've completed a search to follow the course link, scroll down, and read **NOTES** for each course.

In the Course Schedule drop-down menu for Delivery, you can search for "All" or three different types: Classroom, Online (web only), and Online (Some Time On-site).

Here's a quick guide to what the terms mean. It's not always obvious!

BIOL 1100 - 01 (Web Supplemented - No Reduced Seat Time) Campus: Anoka-Ramsey CC - Coon Rapids Campus. Location: ARCC - Coon Rapids Campus.	<u>Unifying Concepts in Biology</u> 4 of 48 seats open
---	---

Classroom: For classroom courses identified as **(Web Supplemented – No Reduced Seat Time)**, all credit hours are held in a physical location on one campus or off site. In ALL courses, expect that you may be asked to use computer software or internet technologies in your learning. This may or may not include our instructional management system, D2L.

THTR 1101 - 30 (Internet) Offered through: Anoka-Ramsey Community College. Campus: Anoka-Ramsey CC - Cambridge Campus. Location: ARCC - Cambridge Campus.	<u>Introduction to the Theatre</u> 1 of 30 seats open
--	--

Online (web only): Courses from both campuses identified as **(Internet)** may meet in person up to **TWO times** on one campus or meet at an off-site physical location related to the course, such as a theatre or a temple. Most or all coursework, however, will be done online.

IMPORTANT: You can find out when, where, and if online (web only) courses have any on campus or in-person meetings—as well as other critical information—by clicking on the course link and scrolling down to read the **Notes**. Email the instructor if you have additional questions about the delivery of the course.

BUS 1122 - 30 (Web Enhanced - Limited Seat Time) Offered through: Anoka-Ramsey Community College. Campus: Anoka-Ramsey CC - Cambridge Campus. Location: ARCC - Cambridge Campus.	<u>Business Ethics and Social Issues</u> 11 of 40 seats open
---	---

Online (some time on site): This is also referred to as **(Web Enhanced – Limited Seat Time)**, which means some class responsibilities are completed online. You will meet in person less frequently than the same course in a "classroom" delivery on site. The exact dates you meet should be listed in the Course Schedule and often with more detail in **Notes**—remember to go into the course link and scroll down to read them.
